

BIMOS Basic laboratory

Workstation Chair BIMOS Basic laboratory (Part. No.: 913*)

The tried-and-tested all-rounder for use in laboratories

Basic Laboratory is the low-cost laboratory model from bimos. However, even this basic version features all the essential attributes. Consequently, Basic Laboratory is a good entry-level model for laboratories with straightforward requirements.

Design and materials:

Basic Laboratory can be supplied with Stamskin Top synthetic leather or with fabric upholstery. Not only is Stamskin Top easy to clean, but it also has antibacterial, antifungal and antimicrobial properties. Basic Laboratory features a sturdy steel 5 star base. The frame is available in either black or light grey.

- Upholstery with Stamskin Top synthetic leather covering – A bacteria-free zone (antibacterial, antifungal, antimicrobial)
- 5 star base made of stainless steel
- Safety gas lift
- high-comfort upholstery
