

BIMOS industrial standing rests

Workstation industrial standing rests
(Part. No.: 945*)

Support for your everyday work

Anyone who has to stand up for extended and monotonous periods of time needs support, since standing up motionless for a long time puts the body under a great deal of stress and strain. Our classic standing rests support the body and relieve the strain from the spinal column. The many different variations of base ensure that there is a version suitable for just about every use. Our industrial standing rests are extremely robust, and can stand up to even the toughest treatment. The industrial standing rest 2 is also available in an ESD version.

Design and materials

All standing rests are made of steel and have a seat made of Soft Touch PU foam. In addition, there is also a conductive ESD version. The ESD version has a discharge resistance of $10^6 \Omega$, so fulfilling the requirements of ESD standard EN 61340-5-1.

- Robust steel and aluminium elements
- Safety gas lift
- SoftTouch integral PU foam
- extremely sturdy and highly durable
- adjustable height and seat tilting, swivel range from 22 to 360
- pivoting support column (9451)

Technical data:

Base diameter 600 mm (9451), 420-460 mm (9452), 470 mm (9454 and 9454E), 460x440 mm (9456)
Seat height adjustment 650-850 mm (640-840 mm 9456)

Electrical properties (valid for 9454E):

	Test standard	Typical values	Requirements
Resistance to groundable point RG (to metal plate)	EN 61340-5-1	$10^6 \Omega - 10^7 \Omega$	$RG < 1 \times 10^{10} \Omega$

5 years long term warranty. The 5 years warranty covers the fabric, the glides and castors.

BIMOS industrial standing rests

Variations:

	Standard	ESD
With pivoting support column	9451	-
Collapsible	9452	-
With 360 swivel range	9454	9454E
Fold away leg	9456	-
