

Technical data sheet 1V11

Specification Conference armchair, low, design 2

Dimensions in mm	Backrest:	H:	440	
		Seat:	H:	440
		W:	515	
		D:	450	
	Total:	H:	930	
			W (ArmR):	810
		D:	810	
	Packaging data	Weight:	kg	16,5
Volume:		m³	0,51	

Basic equipment

Benefit

Backrest/ Seat shell	Low. Shell completely upholstered.	Great seating comfort due to the ergonomically designed backrest.
Upholstery	Upholstery design 2 (quilted back of backrest). Seat, back upholstered, with independently upholstered side panels. Mould foam, CFC and CHC free (segregated). Seat: 45mm foam + 10mm quilted cotton wool. Upholstery without adhesives.	Good seating comfort and great posture support. Ideal microclimate due to non-glued upholstery.
Base	4-star aluminium base, casting in black	High durability level, longevity. Great design. Good stability and tilting safety.
Gas column	Gas column with suspension and cover.	The suspension absorbs seat shock which reduces the impact on the spine while sitting.
Seat shell	Dynamic seat shell. Forward and backwards movement of the entire top part.	Comfortable sitting enhances comfort and movement.
Glides	Hard glides for soft floors, black	Stable
Materials	All materials are segregated and recyclable	Environmentally friendly, help to protect resources.
Norms	DIN EN 16139 seating furniture for project areas, GS-symbol for being tested on safety, Tested for Contaminants	High level of safety and comfort.
Certifications	Quality Management System DIN EN ISO 9001 acc. to VO (EG) no. 1221/ 2009 EMAS Environmental Management System DIN EN ISO 14001:2005, Quality Office, Blue Angel, Golden M.	High-quality product.
Warranty and Return	3 years full warranty and 5 years long-term warranty. Complete return and recycling guarantee.	Exchange of parts, free of charge within the guaranteed period.
